

## **2011-2012 Yale International Loan Request**

The Yale International Loan is available only to students who are not U.S. citizens or Permanent Residents. A credit check is not required. You must also complete a Self-Certification, Master Promissory Note (MPN), and a series of disclosures to receive the loan. The Self Certification is available at <http://environment.yale.edu/about/Financial-Aid-Forms/> You will receive instructions about completing your MPN and disclosures once we process your loan request.

The maximum loan amount is the cost of attendance minus all other resources. The loan fee is 5%. The interest rate is fixed at 7.75%. The interest is not subsidized, i.e., you are responsible for paying the interest that accrues to the loan while you are in school and in repayment. Payments may be deferred while you are in school and enrolled at least half-time and during a following six month grace period.
